Dear Speaker Won Pat:

Hafa Adai! In accordance with Guam Public Law 28-142:2, the Guam Department of Labor hereby presents the Guam Registered Apprenticeship Program Tax Credit Report for FY 2012.

The report is broken into two separate components: 1) An Excel summary report with individual spreadsheets for each program participant (14 total) which includes the total amount of tax credits claimed by each program participant, a list of apprentices with corresponding occupation trade and the amount of tax credits claimed for each apprentice; 2) the Department's Demand Occupations Listing Report which includes the total number of apprentices, by quarter, for each occupation. The numbers depicted on Demand Occupations Listing Report were taken from the Guam Community College's Apprentice Quarterly Reports for FY 2012. The total tax credit approved during FY 2012 is \$1,525,878.00.

If you have any questions, or need additional information, please do not hesitate to contact my office.
