710 West Marine Corps Dr. Suite 301 Bell Tower Plaza,  
Hagatna, Guam 96910

Seating: Limited to 40

Cost: **No Cost**

Presenter: Anthony Anderson, OSHA Project Manager

Target Audience: **Business Representatives / Employers and Human Resource Staff**

Workshop Content: Learn how to use free consultation service funded by the Occupational Safety and Health Administration (OSHA) to reduce risks. Employers can find out about potential hazards at their worksites, improve their occupational safety and health management systems, and even qualify for a one-year exemption from routine OSHA inspection. This service primarily targets smaller, high-hazard businesses, OSHA's safety and health consultation program is completely separate from the OSHA inspection effort. In addition, no citations are issued or penalties proposed.
