INSTRUCTIONS:

- This completed application must be submitted at least 15 calendar days prior to the departure of your H-2B worker. Applications with incomplete information will not be accepted.
- Per P.L. 31-87, clearance from GMHA must be obtained prior to submission to ALPCD and purchase of repatriation transportation. Please have the worker covered on this form approach the GMHA business office with valid ID, and obtain the clearance OR have the worker complete the EMPLOYEE AUTHORIZATION section so that the employer or authorized representative can approach GMHA to obtain clearance. When obtaining GMHA clearance on behalf of a worker, make sure to have a copy of the worker's valid ID attached to this form. Should you be aware of an unpaid hospital bill for the worker, you may deduct an amount from the worker's wages, provided that the worker agrees to such deduction. To facilitate this, we have included a payroll deduction authorization on the 2nd page of this form.
- The worker must be paid all wages due prior to departure. If there are any unpaid wages aside from the worker's last paycheck, you must address this issue with ALPCD prior to submission of this exit clearance.
- Should the departure date or any information initially submitted on this form change, you must notify ALPCD immediately in writing.
- Please read the EMPLOYER CERTIFICATION carefully before signing. You are certifying that all wages are paid and that your company visually verifies that the worker passes through TSA screening at the airport at the time of departure specified on this form.
- Exit Clearances with inaccurate information or cases where employers do not verify departure may subject your company to fines of up to \$500.00 per violation.
