H-2B Petitioner's Employment-Related or Fee-Related Notification

AGENCY: U.S. Citizenship and Immigration Services, DHS.

ACTION: Notice.

SUMMARY: This Notice announces the manner in which H-2B petitioners must notify U.S. Citizenship and Immigration Services regarding their employment of non-agricultural workers in H-2B nonimmigrant status or job placement fee information. These procedures are necessary to enable petitioners to comply with the notification requirements established by the Department of Homeland Security's regulations governing the H-2B nonimmigrant classification.

DATES: This Notice is effective January 18, 2009.

FOR FURTHER INFORMATION CONTACT: Hiroko Witherow, Service Center Operations, U.S. Citizenship and Immigration Services, Department of Homeland Security, 20 Massachusetts Avenue, NW., Washington, DC 20529, telephone (202) 272-8410.

SUPPLEMENTARY INFORMATION:

I. Background

The H-2B nonimmigrant classification applies to alien workers seeking to perform non-agricultural labor or services of a temporary nature in the United States on a temporary basis. Immigration and Nationality Act (INA) sec. 101(a)(15)(H)(ii)(b), 8 U.S.C. 1101(a)(15)(H)(ii)(b); see 8 CFR 214.1(a)(2) (H-2B classification designation). Aliens seeking H-2B nonimmigrant status must be petitioned for by a U.S. employer. However, prior to filing the petition, the U.S. employer must complete a temporary labor certification process with the Department of Labor (DOL) for the job opening the employer seeks to fill with an H-2B worker.

After receiving a temporary labor certification, the U.S. employer files Form I-129, Petition for Nonimmigrant Worker, with the appropriate USCIS office to classify the beneficiary as an H-2B nonimmigrant. See 8 CFR 214.2(h)(5)(i)(A). Once the petition has been granted, the regulations impose additional responsibilities on H-2B

petitioners. These responsibilities include notifying DHS of certain occurrences related to their H-2B workers, as discussed below.

A. Employment-Related Notifications.

The regulations require H-2B petitioners to provide notification to DHS within 2 work days in the following instances:

- When an H-2B worker fails to report to work within 5 work days of the employment start date on the H-2B petition;
- When the temporary labor or services for which H-2B workers were hired is completed more than 30 days early; or
- When the H-2B worker absconds from the worksite or is terminated prior to the completion of the temporary labor or services for which he or she was hired.

8 CFR 214.2(h)(6)(i)(F). The regulations also require that petitioners retain evidence of the notification filed with DHS for a one-year period beginning from the date of the notification. 8 CFR 214.2(h)(6)(i)(F)(1).

B. Fee-Related Notifications.

The regulations prohibit payment or agreement to pay a fee or other compensation by a beneficiary to any facilitator, recruiter, or similar employment service as a condition of the offer of obtaining the H-2B employment. 8 CFR 214.2(h)(6)(i)(B). However, the regulations provide petitioners with the opportunity to avoid denial or revocation (on notice) of their H-2B petition if they notify DHS regarding information they obtained following the filing of their H-2B petition concerning the beneficiary's payment of prohibited fees. 8 CFR 214.2(h)(6)(i)(B)(4). Notification of a beneficiary's payment or agreement to pay the prohibited fees must be made within 2 work days of the petitioner gaining such knowledge. *Id.*

This Notice specifies the manner in which H-2B petitioners must file employment-related and fee-related notifications with DHS in order to comply with the regulations. 8 CFR 214.2(h)(6)(i)(F) and 8 CFR 214.2(h)(6)(i)(B)(4).

II. Employment-Related Notifications

A. Filing Notifications.

This Notice announces that beginning on January 18, 2009, H-2B petitioners must notify USCIS within 2 work days of an event specified in 8 CFR 214.2(h)(6)(i)(F)(1). The petitioner must include the following information in the notification.

(1) The reason for the notification;

(2) The reason for late notification, if applicable;

(3) The USCIS receipt number of the approved H-2B petition;

If all of the above information is not available, the employer must provide as much and as complete information as possible. USCIS acknowledges that petitioners may not know the names of the no-show H-2B workers if the workers are unnamed beneficiaries of the H-2B petition. Where an H-2B petitioner is reporting the failure of an H-2B worker to report to work within the prescribed time frame and the beneficiaries are unnamed, the petitioner must supply the number of workers who failed to report to work within the prescribed time frame, plus any of the additional items above that may be known or available.
