| Workshop Content:    | The Small Business Administration (SBA) provides a number of financial assistance programs for small businesses that have been specifically designed to meet key financing needs, including debt financing, surety bonds, and equity financing. Learn what SBA offers to help small businesses grow. Gain an understanding of the various programs and the qualifications for each are specific. SBA can help facilitate a loan for you with a third party lender, guarantee a bond, or help you find venture capital. Attendees will gain an understanding how SBA works and the first step towards receiving assistance. |
