Additional Comments

\*When available, DOL/ETA will match wage records on behalf of grantees in order to capture these employment-based outcome measures for participants that have successfully exited the program being reported for. These outcome measures are dependent on the participant-level data that grantees submit on a quarterly basis; however, these outcome measures will be populated after the QPR is certified by the grantee. The outcome data reported in these fields are not included in the performance data that grantees submit and certify for the purposes of quarterly reporting. Grantees do not need to certify this DOL-populated data.
